The **ftwilliam.com** portfolio is fully web-based software that streamlines time-consuming tasks for the employee benefits professional. The applications are easy to use and integrated to ensure that data flows effortlessly between the different modules.

The **IRS Forms 1094/1095** module offers fast and easy form completion and e-filing, helping to satisfy the ACA reporting requirements for you or your clients and ensure compliance. The module minimizes your manual data entry and delivers forms instantly in PDF format.

Included Forms

1094-B

Transmittal form for the 1094-C sent to IRS

1094-C

Form to report an Employer subject to the shared responsibility provisions of IRC 4980H

1095-B

Form to report individuals covered by minimum essential coverage

1095-C

Form to provide employees information

Employers with 50 or more full-time employees (including full-time equivalent employees) use Forms 1094-C and 1095-C to report the information required under Internal Revenue Code (IRC) Sections 6055 and 6056 regarding the offers of health coverage and enrollment in health coverage for their employees. Form 1094-C must be used to report to the IRS summary information for each employer and to transmit Form 1095-C to the IRS.

Form 1095-B is used to report certain information to the IRS and to taxpayers about individuals who are covered by minimum essential coverage and therefore are not liable for the individual shared responsibility payment.
